

Attendance Policy – Covid-19 Addendum

September 2020

Last update 14th September 2020

Subject to change to ensure compliance with Government guidance

Government Guidance states that all pupils in all year groups will return to school full time at the beginning of the autumn term.

This addendum to the Attendance Policy is for use by all TSAT schools during the arrangements of pupils returning to school. It is to be used in conjunction with, and read alongside, the school's Attendance Policy.

We will continue to promote good attendance; thus enabling and encouraging all pupils to achieve excellence. Attendance has a direct relationship with the attainment of individuals and groups of pupils and the standards thereby achieved by the school. Securing good attendance is a fundamental responsibility within our duty to safeguard and promote the welfare of the children in our school.

Absence from school remains detrimental to a child's education. Any unexplained absence from school will be followed up in the normal manner as per the existing policy. This is in line with our safeguarding policy and practices.

Our aim is to support all students to attend every day. Where there are concerns with attendance, usual support mechanisms will be offered by the school. It is important that parents/carers discuss any concerns fully with staff at the school so that plans can be made to improve attendance for the child.

School day adjustments
